COLLEGE OF COMPUTING AND INFORMATION SCIENCES

School of Computing and Informatics Technology

Field Attachment 2023

Field Supervisor Confidential Assessment Form

Name: Edward Mubiito   **Reg No:** 20/U/7787/PS

Course: Bachelor of Science in Software Engineering

Date of Commencement ………/………/20……   **Date of Completion:** ………/………/20……

CORE SKILLS		
1	Computational Skills	**Very High (5)**
2	Computer Literacy – word processing, spreadsheets, databases, emails etc	**Very High (5)**
3	System administration – trouble shooting, software installation etc	**Very High (5)**
4	Project management skills	**Very High (5)**
5	Analysis and design of information systems	**Very High (5)**
6	Software development (requirements engineering, design, programming, testing)	**Very High (5)**
7	Systems and network management	**Very High (5)**
8	Database development and administration	**Very High (5)**
9	Adapting to new technologies	**Very High (5)**
10	Linking theory to practice	**Very High (5)**

EMPLOYABILITY SKILLS		
1	Time Management: Ability to meet deadlines, punctuality etc	**High (4)**
2	Problem solving skills: creativity innovation	**Very High (5)**
